Subject – Claiming job against land acquisition.

Dear sir,

My name is Bhagirath Kushwaha s/o Late Ramsunder, I own land within the designated NTPC company area field, as evidenced by the enclosed Land Acquisition Certificate in the name of my father Ramsunder. While my son lacks the qualifications and skills to fulfil such roles, Rashmi (daughter in law) possesses exceptional abilities and education. As detailed in the attached documents, she is highly qualified and capable.

I want to express my heartfelt interest in securing any job opportunities for my daughter-in-law, Rashmi Kushwaha, through NTPC vendors or subcontractors.

Given my son's limitations and Rashmi's potential, I humbly request that you consider offering her employment within the NTPC network. This opportunity would not only benefit our family but also contribute to the development of the very land that supports your esteemed company.

We eagerly await your kind consideration and the possibility of joining your esteemed efforts.

Thank you for your time and attention to this matter.

Sincerely,

Bhagirath Kushwaha

(Landowner, NTPC Area Field)
